

# Pyramid Healthcare

AN INTEGRATED BEHAVIORAL HEALTHCARE SYSTEM

## A Leader in Client-Focused Care

Pyramid Healthcare is dedicated to offering the highest quality of care to those we serve. Client-focused care establishes our family of brands as respective leaders in substance use treatment, mental health recovery, and eating disorder treatment modalities.

## Our Locations

**Founded in 1999** and headquartered in Altoona, PA, Pyramid Healthcare's integrated behavioral healthcare system of 16 companies employs over 3,000 team members and operates 77 program locations and schools across 7 eastern states.

## Our Staff

From **detox to outpatient treatment** and all levels of care in between, our licensed and experienced clinicians are passionate about providing **personalized, effective, life-changing care** every day.

## Our Treatment

Our **full continuum of in-person and telehealth** behavior healthcare programs and specialty services for **adults and adolescents** includes **mental health, substance use, and eating disorders treatment**.
